GRIFFIN THOMAS, Student Association President, 2016-2017
Presiding Officer

Whereas, The Student Association Senate is tasked with advocating for student interests and enabling students to shape their undergraduate experience;

Whereas, Government initiatives at the local, state and national levels have an impact on Rice undergraduates;

Whereas, The mission, goals and responsibilities of the Student Association Senate thus extend outside of hedges; and

Whereas, The Senate needs to be regularly updated and advised about actions outside of the University that stand to impact student interests; therefore, be it

Resolved, That the Rice Student Association Senate create the position of Director of Government Relations; and

Resolved, That the following section V.B.2.h be added to the Student Association Constitution:

V.B.2.g. Director of Government Relations. The Director of Government Relations shall track government initiatives at the local, state and national level, and bring relevant initiatives to the attention of the External Vice President and President for consideration.

The Director of Government Relations shall advise and brief the Senate on relevant topics as deemed appropriate by the External Vice President and President.
