SWE

- Cool mission, but doesn't seem to serve a large enough body of students
- Pretty much everyone agreed on that

BSA

- Apparently Catherine Clack said they DO NOT need \$\$\$
- Would still charge ticket prices
- Did not clarify how much money they're planning to make off of tickets
- Not super into paying for equipment because it seems like they have plenty of funds from ticket sales and just got a \$500 donation from an alum

Bollywood Dance team

- Benefit would be felt for Rice students if at Dhamaka, but not necessarily at Holi
- Currently feels a little...not super direct/impactful?
